

“The XI<sup>th</sup> international scientific-methodical conference  
"Quality management in modern High school"  
on the 30<sup>th</sup> of October 2013 y.

The theme of scientific report:

1. *“The scientific fund "System and financial analysis based on cognitive modeling technology" named after Prokopenko N.A.”*

*The section “Educational politics and new technologies of teaching”*

The reporter: the author of the unique cognitive modeling technology  
on spec. 01.02.01, 05.13.01, 05.13.10, 19.00.03, 08.00.10 Vetrov A.N.

The Russian Federation, Saint-Petersburg city, 2013 y.

The administrative-scientific divisions (I) of "SF "System and financial analysis based on cognitive modeling technology" named after Prokopenko N.A." ("SIO "Academy of cognitive natural sciences"") (A1)

I. The administrative-scientific divisions

the basis for the analysis and increase of efficiency of functioning of the organizational structure

1.1. The director of "SF "SFA CMT" n. a. Prokopenko N.A." (at "SIO "ACNS"" or "\*\*")

1.1.1. The secretary of the director of "SF "SFA CMT" n. a. Prokopenko N.A." (\*)

1.2. The head of the scientific-consulting centre of "SF "SFA CMT" n. a. Prokopenko N.A." (\*) on scientific schools

1.2. The deputy of the head of the scientific-consulting centre of "SF "SFA CMT" n. a. Prokopenko N.A." (\*)

# The genesis of the scientific newspapers and journals on “(Cognitive) informatics, the system, financial and complex analysis” (at the microscopic level)

1. The local scientific newspaper (SN) (01) and scientific journal (SJ) (01)

the basis for the analysis and increase of efficiency of functioning of the organizational structure

1.1. SN “News of SF "System and financial analysis based on cognitive modeling technology" named after Prokopenko N.A.” (in the national language)

1.2. SJ “Proceedings of SF "System and financial analysis based on cognitive modeling technology" named after Prokopenko N.A.” (in the national language)

The local tasks and problems

The publication on the paper carrier of information in the printing house of “SIO "ACNS"”

2. The international scientific journals (ISJ) (05)

2.1. ISJ “Bulletin of SF "SFA CMT" n. a. Prokopenko N.A.” (in the national language and international language)

2.2. ISJ “Cognitive sciences: common questions of financing” (in the national language and international language)

2.3. ISJ “Cognitive modeling technology for the microscopic system analysis: fin. and achievements” (in the nat. language and int. language)

2.4. ISJ “Cognitive modeling technology for the microscopic financial analysis: fin. and achievements” (in the nat. language and int. language)

2.5. ISJ “Cognitive modeling technology for the microscopic complex analysis: fin. and achievements” (in the nat. language and int. language)

The international tasks and problems

The publication on the paper and optical carrier of information in the printing house of “SF "SFA CMT" n. a. Prokopenko N.A.” and in the printing house of SRC of (non)resident

Note: the scientific newspapers and journals in the field of the system, financial and complex analysis at the realization stage

3. The regional (RFSJ) and international fundamental scientific journals (IFSJ) (13)

the basis for the analysis and increase of efficiency of functioning of the organizational structure

3.1. (R)IFSJ “The microscopic cognitive modeling in the fundamental scientific researches: financing and achievements” (“Mathematical sciences”), (the multi-section – the 2 sections, the regional printing and electronic in the national language and the international electronic in the int. language)

Section 1 “The theory of mathematics and the complex system analysis based on the cognitive modeling technology” (“SM”)(\*)

Section 2 “The theory of cybernetics and (cognitive) informatics” (“SPMI”)(\*)

The regional and international tasks and problems

3.2. (R)IFSJ “The microscopic cognitive modeling in the fundamental scientific researches: financing and achievements” (“Physical sciences”), (the multi-section – the 2 sections, the regional printing and electronic in the national language and the international electronic in the int. language)

Section 1 “The theory of physics, astronomy and space researches” (“SOFA”)(\*)

Section 2 “The theory of nuclear physics and physics of nucleus kernel” (“SYF”)(\*)

The regional and international tasks and problems

The publication on the paper and optical carrier of information in the printing house of “SF “SFA CMT” n. a. Prokopenko N.A.” and in the printing house of SRC of (non)resident

Note: the scientific newspapers and journals in the field of the system, financial and complex analysis at the realization stage

3. The regional (RFSJ) and international fundamental scientific journals (IFSJ) (13) (continue 2)

the basis for the analysis and increase of efficiency of functioning of the organizational structure

3.3. (R)IFSJ “The microscopic cognitive modeling in the fundamental scientific researches: financing and achievements” (“Nano-technologies and information technologies”), (the multi-section – the 3 sections, the regional printing and electronic in the national language and the international electronic in the int. language)

Section 1 “The theory of electronics, radio-eng. and connection” (“SVLTSEB”)

Section 2 “The theory of automatics, computer engineering and the system analysis based on the cognitive modeling technology” (“SITA”)(\*)

Section 3 “The theory of nano-technologies for the mechanical-engineering, instrument-making, polygraphy, reprography and foto-cinema-technics, easy and food-processing industry, transport, architecture and construction” (“SNT”)(\*)

The regional and international tasks and problems

3.4. (R)IFSJ “The microscopic cognitive modeling in the fundamental scientific researches: financing and achievements” (“Exact sciences”), (the multi-section – the 3 sections, the regional printing and electronic in the national language and the international electronic in the int. language)

Section 1 “The theory of (theoretical) mechanics and gyroscopes” (“SM”)(\*)

Section 2 “The theory of mechanical-engineering, instrument-making and metrology” (“SPMPU”)

Section 3 “The theory of power-engineering and electrical-engineering” (“SE”)

The regional and international tasks and problems

The publication on the paper and optical carrier of information in the printing house of “SF “SFA CMT” n. a. Prokopenko N.A.” and in the printing house of SRC of (non)resident

Note: the scientific newspapers and journals in the field of the system, financial and complex analysis at the realization stage

3. The regional (RFSJ) and international  
fundamental scientific journals (IFSJ) (13) (continue 3)

the basis for the analysis and increase of efficiency  
of functioning of the organizational structure

3.5. (R)IFSJ “The microscopic cognitive modeling  
in the fundamental scientific researches:  
financing and achievements” (“Industry and chemical sciences”),  
(the multi-section – the 2 sections, the regional printing and electronic  
in the national language and the international electronic in the int. language)

Section 1 “The theory of the easy, food, wood  
and wood-processing industry,  
the architecture and construction, the agricultural, wood,  
water, fish economy and aqua-culture” (“SNM”)(\*)

Section 2 “The theory of chemistry, chemical technology  
and chemical industry” (“SCHN”)(\*)

The regional  
and international  
tasks and problems

The publication on the paper and optical carrier of information in the printing house  
of “SF “SFA CMT” n. a. Prokopenko N.A.” and in the printing house of SRC of (non)resident

Note: the scientific newspapers and journals in the field of the system, financial and complex analysis at the realization stage

3. The regional (RFSJ) and international fundamental scientific journals (IFSJ) (13) (continue 4)

the basis for the analysis and increase of efficiency of functioning of the organizational structure

3.6. (R)IFSJ “The microscopic cognitive modeling in the fundamental scientific researches: financing and achievements” (“Biological sciences”), (the multi-section – the 2 sections, the regional printing and electronic in the national language and the international electronic in the int. language)

Section 1 “The theory of biology and pharmacology” (“SOB”)

Section 2 “The theory of physical-chemical bio-technology” (“SFCHB”)(\*)

The regional and international tasks and problems

3.7. (R)IFSJ “The microscopic cognitive modeling in the fundamental scientific researches: financing and achievements” (“Physiology, fund. medicine and health care”), (the multi-section – the 2 sections, the regional printing and electronic in the national language and the international electronic in the int. language)

Section 1 “The theory of physiology, bio-physiology and private physiology” (“SF”)(\*)

Section 2 “The theory of medicine, public health service, labor safety, environment preservation and ecology of person” (“SFM”)(\*)

The regional and international tasks and problems

The publication on the paper and optical carrier of information in the printing house of “SF “SFA CMT” n. a. Prokopenko N.A.” and in the printing house of SRC of (non)resident

# The regional and international fundamental scientific journals of “SF “SFA CMT” n. a. Prokopenko N.A.” (F5)

## 3. The regional (RFSJ) and international fundamental scientific journals (IFSJ) (13) (continue 5)

the basis for the analysis and increase of efficiency of functioning of the organizational structure

3.8. (R)IFSJ “The microscopic cognitive modeling in the fundamental scientific researches: financing and achievements” (“Sciences about The Earth”), (the multi-section – the 2 sections, the regional printing and electronic in the national language and the international electronic in the int. language)

Section 1 “The theory of geo-physics, geology, mining and metallurgy” (“SGGGGN”)

Section 2 “The theory of oceanology, structure and physics of atmosphere, geodesy, cartography and geography of The Earth and planets” (“SOFAG”)

The regional and international tasks and problems

3.9. (R)IFSJ “The microscopic cognitive modeling in the fundamental scientific researches: financing and achievements” (“Social sciences”), (the multi-section – the 2 sections, the regional printing and electronic in the national language and the international electronic in the int. language)

Section 1 “The theory of social sciences, philosophy, science-study, politics and political sciences, sociology, (cognitive) psychology, state, law and jurisprudential sciences, patenting business, invention and rationalization work” (“SFPSP”) (\*)

Section 2 “The theory of economics and economic sciences, organization, management, statistics and the financial analysis based on the cognitive modeling technology” (“SE”) (\*)

The regional and international tasks and problems

The publication on the paper and optical carrier of information in the printing house of “SF “SFA CMT” n. a. Prokopenko N.A.” and in the printing house of SRC of (non)resident

Note: the scientific newspapers and journals in the field of the system, financial and complex analysis at the realization stage

3. The regional (RFSJ) and international  
fundamental scientific journals (IFSJ) (13) (continue 6)

the basis for the analysis and increase of efficiency  
of functioning of the organizational structure

3.10. (R)IFSJ “The microscopic cognitive modeling  
in the fundamental scientific researches:  
financing and achievements” (“Glob. problems and int. relation”),  
(the multi-section – the 2 sections, the regional printing and electronic  
in the national language and the international electronic in the int. language)

Section 1 “The theory of demography, pedagogics and national education,  
standardization, complex studying of separate countries  
and regions, general and complex problems of natural,  
exact, technical, social, applied sciences  
and manufacture branches” (“SGP”)

Section 2 “The theory of culture and cultural-science, art and art-science,  
mass communication, journalism  
and mass media means, religion,  
internal trade and tourist-excursion service,  
external trade, transport,  
housing-communal services, housekeeping  
and consumer services at the international level” (“SMO”)

The regional  
and international  
tasks and problems

3.11. (R)IFSJ “Themicroscopic cognitive modeling  
in the fundamental scientific researches:  
financing and achievements” (“Historical-philological sciences”),  
(the multi-section – the 2 sections, the regional printing and electronic  
in the national language and the international electronic in the int. language)

Section 1 “The theory of history and historical sciences” (“SI”)

Section 2 “The theory of science of language, (cognitive) linguistics,  
literature, study of literature  
and oral national creativity” (“SYL”)(\*)

The regional  
and international  
tasks and problems

The publication on the paper and optical carrier of information in the printing house  
of “SF “SFA CMT” n. a. Prokopenko N.A.” and in the printing house of SRC of (non)resident

3. The regional (RFSJ) and international  
fundamental scientific journals (IFSJ) (13) (continue 7)

the basis for the analysis and increase of efficiency  
of functioning of the organizational structure

3.12. (R)IFSJ “The microscopic cognitive modeling  
in the fundamental scientific researches:  
financing and achievements” (“Sports sciences”),  
(the multi-section – the 1 section, the regional printing and electronic  
in the national language and the international electronic in the int. language)

Section 1 “The theory of competitions,  
sport and sports sciences” (“STSSSN”)

The regional  
and international  
tasks and problems

3.13. (R)IFSJ “The microscopic cognitive modeling  
in the fundamental scientific researches:  
financing and achievements” (“Military sciences”),  
(the multi-section – the 1 section, the regional printing and electronic  
in the national language and the international electronic in the int. language)

Section 1 “The theory of architecture, construction, technics,  
history, education, politics and economics  
in the armed forces” (“STASTIOPEVS”)

The regional  
and international  
tasks and problems

The publication on the paper and optical carrier of information in the printing house  
of “SF “SFA CMT” n. a. Prokopenko N.A.” and in the printing house of SRC of (non)resident

Note: the scientific newspapers and journals in the field of the system, financial and complex analysis at the realization stage

4. The regional (RASJ) and international applied scientific journals (IASJ) (9)

the basis for the analysis and increase of efficiency of functioning of the organizational structure

4.1. (R)IASJ "The microscopic cognitive modeling in the applied scientific researches: financing and achievements" ("Natural sciences"), (the multi-section – the 8 sections, the regional printing and electronic in the national language and the international electronic in the int. language)

Section 1 "The applications of (cognitive) informatics, cybernetics, automatics, computer engineering, data transmission and connection" ("SIC")(\*)

Section 2 "The applications of mathematics, mathematical physics, mechanics, metrology, astronomy, space researches, the complex system analysis based on the cognitive modeling technology and complex problems of natural sciences" ("SMMF")(\*)

Section 3 "The appl. of geo-chem. ecology and preservation of env." ("SNOS")

Section 4 "The applications of the models of The Earth and The Solar system planets in the geography, geology, geodesy, cartography, astronomy and other sciences" ("SNZ")(\*)

Section 5 "The applications of the models, methods and technologies of geology of oil and gas and oil and gas industry" ("SNG")

Section 6 "The applications of the system analysis based on the cognitive modeling technology, prediction, standardization, unification and complex problems of exact technical sciences" ("SSAP")(\*)

Section 7 "The applications of theoretical and experimental physics, geo-physics, power-eng., electrical-eng., electronics and radio-eng., nuclear physics, technics and instrument-making" ("SF")(\*)

Section 8 "The applications of (non)organic chemistry, crystallography, mineralogy and chemical industry" ("SH")(\*)

The regional and international tasks and problems

The publication on the paper and optical carrier of information in the printing house of "SF "SFA CMT" n. a. Prokopenko N.A." and in the printing house of SRC of (non)resident
